Profile

Passionate extrovert who loves data-driven storytelling. With a background in B2B market research, AI-driven analytics, nonprofit marketing, and entrepreneurship, I bring experience from corporate data projects and dashboards to photographing New York Fashion Week and Grammy-award producers. I'm seeking opportunities in marketing analytics, project strategy, and UX research.

Work Experience

AlphaSights

***Client Services Associate* | New York, NY | July 2026 - Current**

- Ranked in the top 3% of the new associate class in October 2026, delivering 100+ billable project units across B2B market research engagements, earning Gold status.
- Lead and independently execute end-to-end corporate survey projects, overseeing real-time insight delivery.

photosbypriyab

***Owner & Photographer* | Jan 2022 - Current**

- Scaling a solo photography business with $10K+ in profit, managing pricing, client acquisition, and project execution.
- Photographed New York Fashion Week, APPNA's Desi Times Square, and BTS for a music video produced by Grammy-winner Quincy Patrick.

CenterSquare Investment Management

***Capital Markets Analyst, Data & Insights Part-time* | Conshohocken, PA | August 2025 - April 2026**

- Evaluated MuleSoft automation workflows on 50+ page lease comps and rent rolls into Excel for Private Equity team.
- Pitched and evaluated AI automation and agentic tools including Alteryx and n8n.io to lead SEO-optimized copy generation and thought leadership sourcing for Capital Markets and Marketing teams.

***Technology & Marketing Intern* | Conshohocken, PA | June 2025 - August 2025**

- Developed an automated marketing analytics dashboard using Python (Spyder) and Power BI by visualizing Google, Spotify, and LinkedIn Analytics, and presented key insights to CEO, CMO, and leadership.
- Automated Salesforce CRM account matching using VLOOKUP with Python Fuzzy Matching, scripting 33% of a 294-name list (96 matches) and manually matching 171 names, leading to making 27 new prospect accounts.

Neighborhood Land Power Project

***Finance & Strategy Intern* | Philadelphia, PA | Jan 2023 - Jan 2024**

- Managed a collaboration between branding consultants on a $40,000 rebranding initiative within a 9 month timeline.

Elix Healing

***Marketing & Key Performance Insights Intern* | New York, NY | June 2023 - September 2023**

- Achieved a 38% increase in organic social media conversions and a 14% rise in paid social conversions through KPIs.
